### EDUCATION

IT School GoIT  
Fullstack Developer | 2023 – 2024  
National Aviation University, Kyiv,  
Master's of Law | 2009-2014

### SUMMARY

Motivated Full-Stack Developer. I am an ambitious, responsible, and goal-oriented individual who values continuous learning and seeks new experiences. I possess flexible analytical thinking that allows me to navigate situations efficiently and make independent decisions. Proficient in interacting with people, I excel in negotiation and maintain a customer-oriented approach. Leveraging emotional intelligence, I tackle complex problems with ease. Additionally, creativity is a key asset that enhances my problem-solving capabilities.
